

1. On mobile

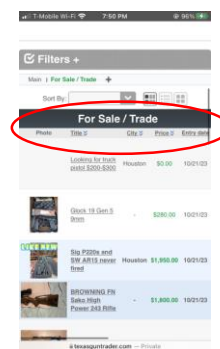

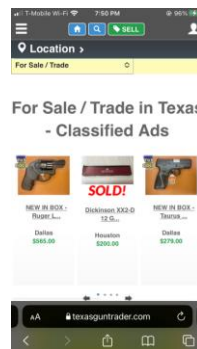

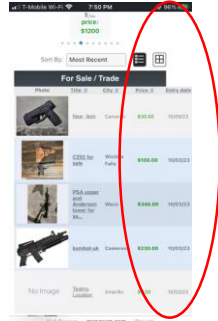

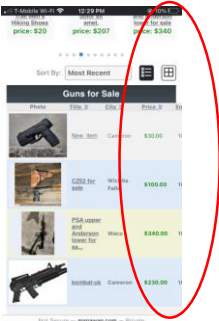

a. Home page

- i. The Categories box is still one big button. Clicking on any options only opens the “Search” tab. Maybe an <a> tag was not closed...

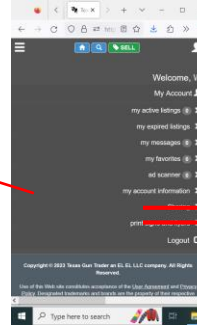

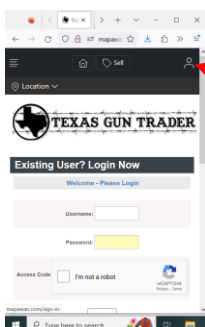

b. “Click to see all guns...” page.

- i. Fix so “Entry date” is in the view port when the page loads (10/19/23 message)

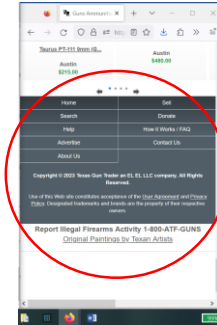

c. Header/ nav bar.

- i. Add mobile drop down menu for logged in users like TGT.

d. Footer

- i. Fix line (same as in 10/19/23 message)

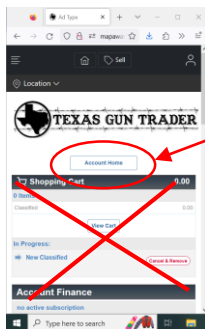

e. post process

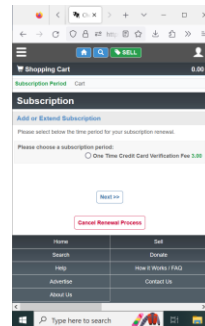

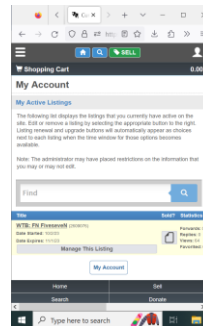

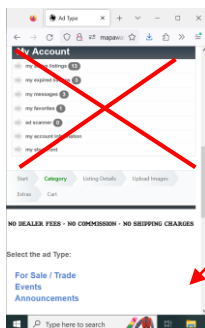

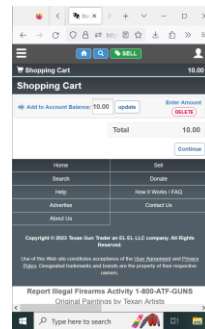

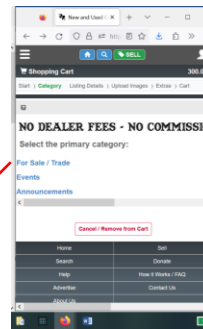

- i. Remove "Account Finance" and "My Account" headers on mobile from all pages of:

1. "Shopping cart"
2. "Account Finance".
3. "My Account".

- ii. **Keep headers only on account home page!!!*

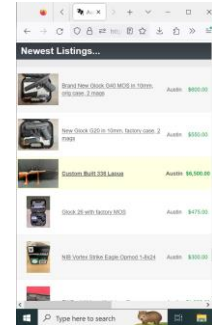

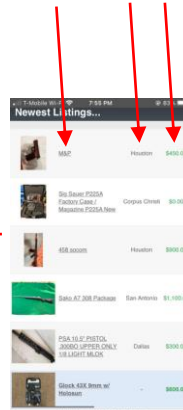

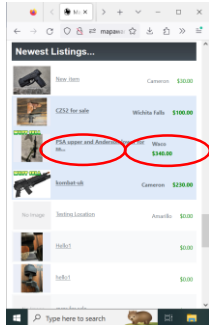

KEEP for ALL user account pages.

f. home page

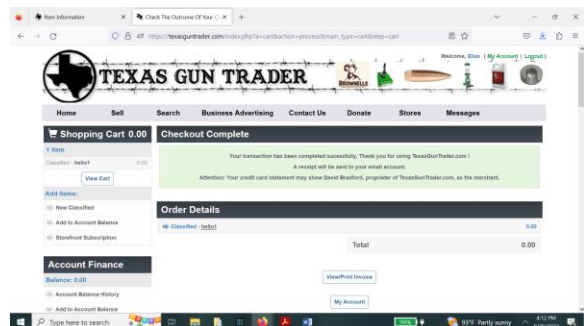

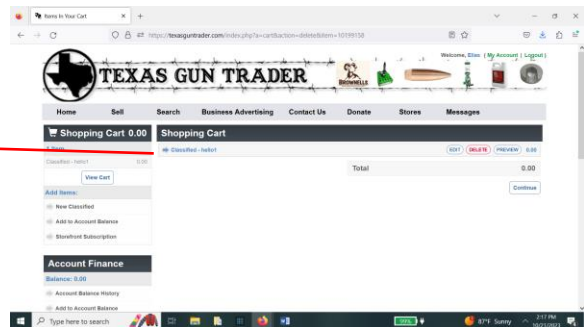

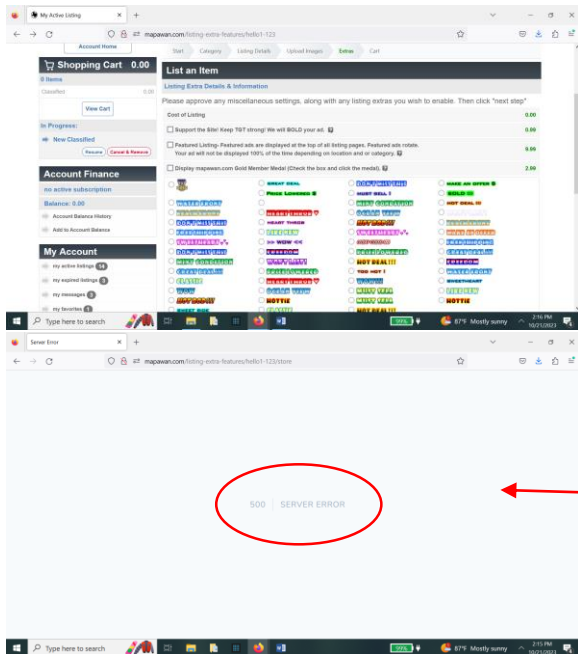

- i. Fix post preview on homepage – it is the most important page!

2. Desktop

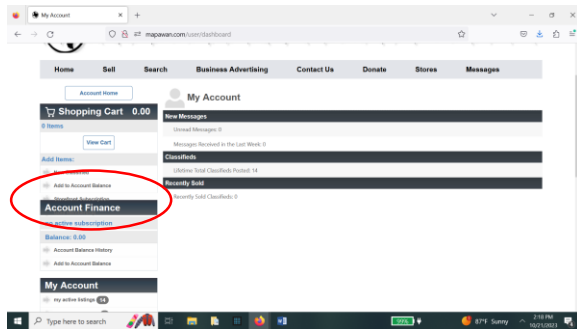

a. post process

- i. Cannot post. Please fix.

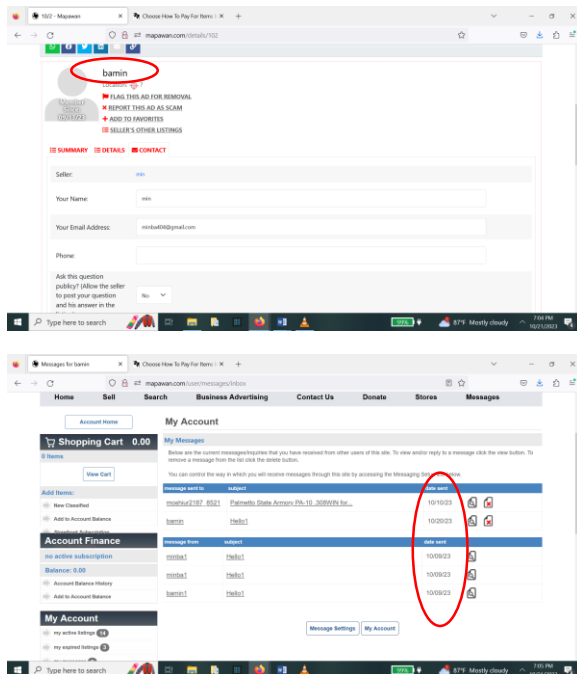

b. my account

- i. The “Storefront Subscription” “Gold Membership”, in My Account are behind “Account Finance.”

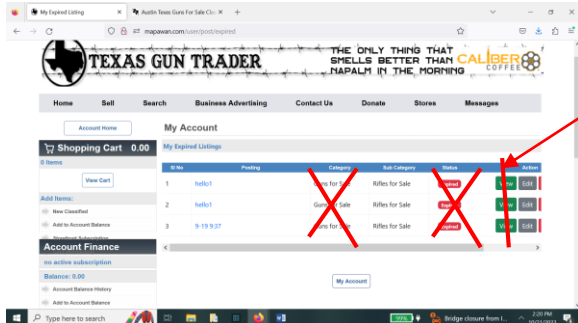

- ii. Messages: Users cannot receive messages. Also sent messages do not show up under sent message tab. (bamin1 account messaging bamin on 10/21)

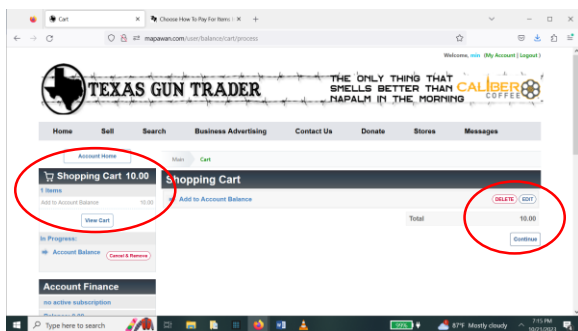

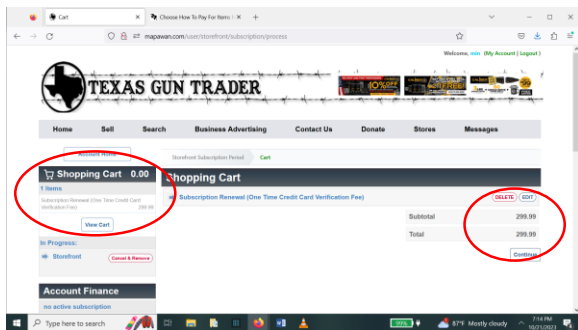

- iii. My Expired Listings:
remove "Category" and
"Status" columns.
Also delete "view".

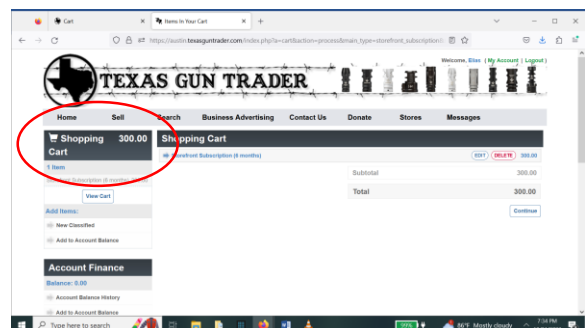

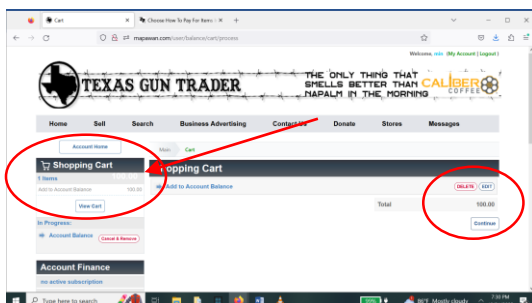

Delete "view" buttons also
on "My Active Listings" page.

- iv. Shopping cart amount:
does not increase for
Storefront Subscription.

- v. Fix for amounts +\$100.

3. Payment:

- a. Please let me know how much it would cost for you to add Stripe payment below Paypal on payment page in case users do not have Paypal.
- b. Add text to beginning: "Click Paypal logo to continue your transaction. Once submitted your your order you will be transferred to Paypal.com."
