1. **On mobile**
   a. **Home page**
      i. **The Categories box is still one big button. Clicking on _any_ options only opens the "Search" tab. Maybe an <a> tag was not closed...**

pages for "guns for sale", "ammunition for sale"… "targets", "knives" have NOT yet been made!
   b. **"Click to see all guns…" page.**
      i. **Fix so "Entry date" is in the view port when the page loads (10/19/23 message)**

   ~~c. Header/ nav bar.~~
   ~~i. Add mobile drop down menu for logged in users like TGT.~~
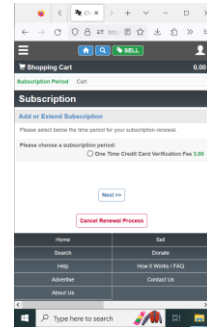

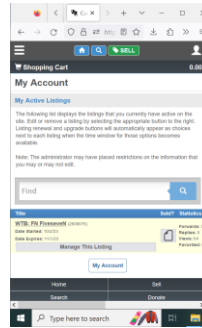

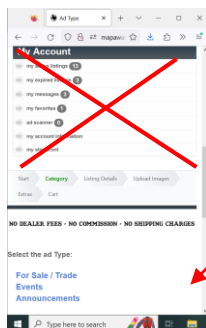

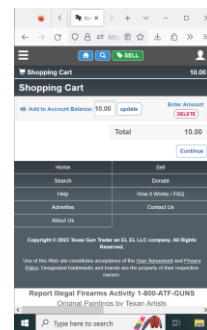

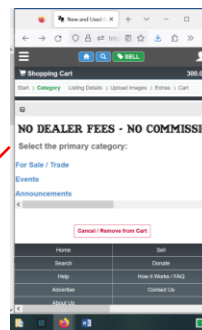

d. post process

    i. ~~Remove "Account Finance" and "My Account" headers on mobile from all pages of:~~

        1. ~~"Shopping cart"~~

        2. ~~"Account Finance".~~

        3. ~~"My Account".~~

   ii. ****Keep headers only on account home page!!!***

KEEP for ALL user account pages.

2. **Desktop**
a. post process
i. Cannot post. Please fix.
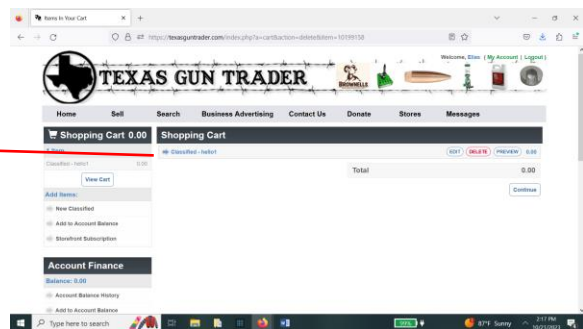

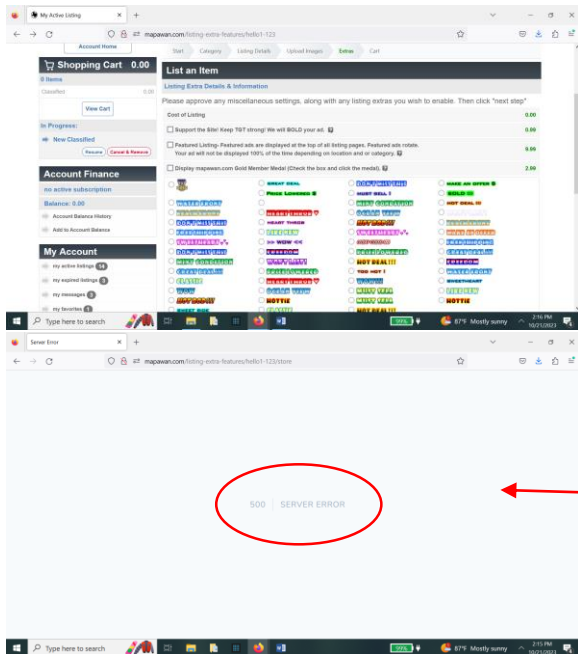

b. my account

      i. ~~The "Storefront Subscription" "Gold Membership", in My Account are behind "Account Finance."~~

   ii. Messages: Users cannot receive messages. Also sent messages do not show up under sent message tab. (bamin1 account messaging bamin on 10/21)
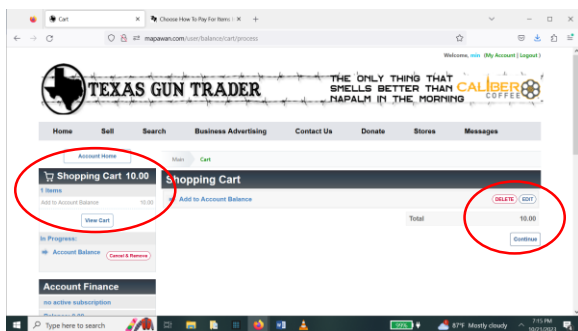

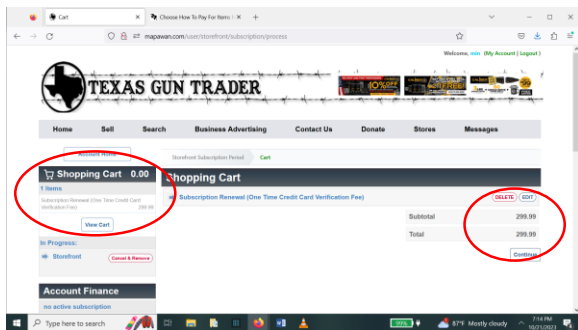

iii. ~~My Expired Listings: remove "Category" and "Status" columns. Also delete "view".~~

Delete "view" buttons also on "My Active Listings" page.

iv. ~~Shopping cart amount: does not increase for Storefront Subscription.~~

v. ~~Fix for amounts +$100.~~

3. Payment:
   a. <mark>Please let me know how much it would cost for you to add Stripe payment below Paypal on payment page in case users do not have Paypal.</mark>
   b. <mark>Add text to beginning: "Click Paypal logo to continue your transaction. Once submitted ~~your~~ your order you will be transferred to Paypal.com."</mark>
